

Frequently Asked Questions

Are all businesses / organisations eligible?

All businesses / organisations are eligible provided that they already through defined actions, advocate sustainable travel or are able to demonstrate that they are actively working towards delivering sustainable travel initiatives.

What about installing the stands?

We encourage you to select your own contractor for the work. WestTrans simply provide the stands and arrange their delivery to an agreed location. Installation is the responsibility of the organisation to arrange and also to provide ongoing maintenance on the stands to ensure they are fit for use. WestTrans accepts no liability for the stands.

Where can I put the stands?

Stands must be located on private land that you own. The installation of the stands should follow the best practice of TfL's Workplace Cycle parking guide where practical. The guidance can be downloaded from our website. It is your responsibility to ensure that you comply with any planning regulations.

How long are stands available for?

We are currently offering cycle stands on a first come, first served basis, so to avoid disappointment, get your order in early.
